WILDERNESS INTERESTS

- Personal and scientific exploration of extreme environments (deep space, arctic, underwater)
- Service, support, and education enabling broad wilderness access & training

SELECT EXPERIENCE

Glaciated Mountaineering Experience & Extended Winter Camping

- **2019 NOLS Denali (120k')** – Participant - 28-day Muldrow Glacier course. June 26th summit.
- **2017 Matanuska Glacier Scientific Expedition** – Group lead of 6-day expedition, backpacking to field sites. Deployed robotic submersibles in moulins to map glacier structure. Guide – Keeton Kroon
- **2016 NOLS Alaska Mountaineering** – Matanuska Glacier – Participant on 14-day intro to glacier mountaineering & rope team travel. Instructors – Alexis Alloway, Keeton Kroon

Arctic / Antarctic & Cold-Weather (Mix of camping and/or Established Shelter)

- **2025 - Constellation Inlet, Antarctica** – Supported GLASS expedition to seismically characterize sea-ice shelf.
- **2011- 2026 Utqiagvik (Barrow), AK** - Team lead / engineering lead. 20+ 2-3 week expeditions (sea ice, lake ice) for scientific sampling & robotic vehicle deployments
- **2022 - Iceland Volcanology Field Camp** – 3-week volcanology field mapping & education
- **2019 - Casey Station, Antarctica** – Engineering lead of 30-day expedition to test Buoyant Rover under ice shelves

Backpacking & Additional Scientific Expeditions

- **Recent Research Cruises:**
- 2025 - Sea Education Association - SSV Corwith Cramer
- 2024 – Aleutian Islands – R/V Atlantis
- 2023 – Norway / Arctic Sea (85 N) – Polarstern Icebreaker
- 2022 – R/V Atlantis & DSV Alvin
- 2021 – NOAA Okeanos Explorer
- 2019 – Svalbard / Arctic Sea (85 N) - Krown Prince Hakkon Icebreaker
- **2018 – Hawaii Volcanoes National Park - Kilauea Eruption Response** (USGS HVO Volunteer) – Multiple short deployments by helicopter, truck, or boat to record eruption
- **2011 – Present - Additional Robotic Vehicle Deployments** - June Lake, CA; Bozeman, MT; Silverton, CO; Catalina Island, CA; Woods Hole, MA; Big Island, HI; Lake Tahoe, CA
- **Recent multi-day to week-long backpacking** – Eastern Sierras, Glacier NP, Yosemite, Big Sur
- Over 400 days of camping, backpacking, and bikepacking

MEDICAL & SAR EXPERIENCE

- **2018 - Present** - Pasadena Fire Department Volunteer EMT-B (**EMS-Reserve**) – Approx. 4400 hours on PFD 911 paramedic rescue ambulance & as EMT foot-team first responder
- **2019 - Present** - AEMT / WEMT / 2017 WFR / 2008 WFA
- **2019 - Present** - **Catalina Hyperbaric Chamber** Volunteer – Approx. 460 days supervisor, patient tender, chamber operator. 24/7 scuba emergency & heli med-evac support.
- **2008 - Present** - NASA/JPL **USAR Rescue Systems-1** & Low-Angle Rescue – Team Captain

- **2007 - 2010** Red Cross CPR / First Aid Volunteer Instructor

ADDITIONAL RELEVANT SKILLS & ACTIVITIES

- **Climbing** – Approximately 30 years of limited outdoor climbing / top-roping
- **Private Pilot** (IFR) with Tailplane & Skiplane Training. UAS Operator Licensed.
- **Scuba Diver** (Rescue) (350+ dives incl. Dry-Suit, Ice & Altitude) + Hyperbaric Chamber Staff
- **Adventure Racing** – 2025 Santa Cruz Half-Ironman, 2023 The Chill, 2018 Lake Tahoe 8-hour Med-Wars, 2016 12-hour Dawn to Dusk, 2015 Lake Tahoe Ironman finisher, multiple 5k, 10k, half & full marathons.
